Simon,

Attached are a PDF and Word version of the working paper, to include the funding disclosure language that is identical to the language included in the news release. As we discussed, the PDF should be placed online (to replace the current version), and it should be hosted at the same link to avoid any confusion. Please call me or Katie if there are any questions about how to proceed, and please let us know ASAP once the updated version is posted online. Thank you, Simon.
